The Wolverine Nordic Ski Club

Join the Fun This Winter!

The Wolverine Ski Club is a family oriented cross-country ski club formed to promote participation and encourage excellence in all levels of Nordic skiing. The club provides lessons for youth/beginners, training for competitive racers, and instruction and recreational opportunities for adults and families interested in ski touring.

As part of its goal to promote local skiing, the club helps to maintain and groom trails at the Trenton Greenbelt and the Trenton Fish & Game Club.

Club activities include:

- ◆ Skiing lessons for children ages 6-14. Students meet every Thursday from December through March after school at the Trenton Fish & Game Club.
- ◆ Regular adult instruction in proper ski technique for both classic and skating styles.
- ◆ Preseason ski training clinics.
- ◆ Regional opportunities for biathlon and ski orienteering.

- ◆ Workshops on choosing ski equipment and waxing technique.
- ◆ Club organized trips to regional sites for touring and competitive racing opportunities.
- ◆ Year-round outdoor fitness activities including cycling, hiking and kayak/canoe trips.

All Wolverine Ski Club members are entitled to ski the groomed trails at the Trenton Fish & Game Club. These trails are only open to Wolverines and game club members. Ski club members are also automatically members of the New York State Ski Racing Association (NYSSRA). Wolverine Ski Club membership entitles youth members to participate in Bill Koch Youth Ski League (BKYSL) ski festivals held each year in New York and New England.

The Wolverine Ski Club is open to all ages and levels of Nordic skiers, whether touring or racing. Your membership will help assure that the sport continues to thrive locally, growing in both the number of participants and the quality and availability of skiing facilities.

Membership Levels

\$30 Individual/\$90 Family
